**RESPONSE TO NOTICE TO FILE MISSING PARTS
OF NON-PROVISIONAL APPLICATION**

Mail Stop Missing Parts

Alexandria VA 22313-1450

Sir:

In response to the Notice to File Missing Parts of Non-Provisional Application, issued 16 November, 2004 in connection with the above application, applicants are filing herewith a Declaration signed by the inventors. Because the inventors are geographically separated, it was necessary to execute the Declaration in four separate copies, but based on previous experience the undersigned attorney believes this is not objectionable to the Office.

As a result of a review of certain business arrangements entered into by the applicants' assignee, E Ink Corporation, the undersigned attorney has determined that this application is now entitled to small entity status, and accordingly the fees paid herewith are being paid on this basis. It is respectfully requested that the Office Records be changed accordingly.

Please charge *at the small entity rate* the additional fee required under 37 CFR 1.16(e) for the late filing of this Declaration to the assignee's Deposit Account No. 501162; a duplicate copy of this paper is enclosed. A duplicate copy of the Notice also accompanies this filing.

Since the normal period for responding to the aforementioned Notice expired January 16, 2005, there is also filed herewith a Petition (Form PTO/SB/22) for a three-month extension of this period.

Also filed herewith is a Request for Correction of Application Data Sheet.

Respectfully submitted

David J. Cole
